

The Meret logo is displayed in a bold, black, sans-serif font. The letter 'M' is stylized with a horizontal bar above it and a vertical bar to its left, creating a unique graphic element. The word 'MERET' follows in a clean, blocky typeface, with a registered trademark symbol (®) at the end. The logo is set against a bright yellow rectangular background.

MERET®

A large, black, heavy-duty duffel bag is the central focus. It features multiple straps with buckles and the 'MERET' brand name printed on several of them. The bag is positioned in the back of a fire truck, with the open rear door visible. In the background, an American flag hangs from the ceiling of the truck's interior. The overall scene is brightly lit, suggesting an indoor or well-lit outdoor environment.
